Objective

A motivated and detail-oriented B.Tech Computer Science student with a passion for web development and data analytics. Seeking opportunities to apply my technical skills in HTML, CSS, JavaScript, and data visualization (Excel, Tableau) to solve real-world problems. Eager to learn, innovate, and contribute to a dynamic team while enhancing my expertise in the field of technology.

Professional Summary

A motivated B.Tech Computer Science student with a strong interest in data analytics and web development. Skilled in HTML, CSS, JavaScript, and experienced in data visualization using Tableau and Excel. Adept at problem-solving with a creative approach to applying technology. Continuously learning and looking to contribute analytical and technical skills to real-world projects.

Education

Dr. MC Saxena College of Engineering and Technology
B.Tech in Computer Science & Engineering (Pursuing)

Technical Skills

Web Development:

- HTML, CSS, JavaScript

- PHP (Basic)

Data Analytics & Visualization:

- Excel (Data Classification & Analysis)

- Tableau (Data Dashboards, Reporting)

Tools & Platforms:

- Git, GitHub

- XAMPP

Soft Skills

- Problem-Solving & Analytical Thinking

- Teamwork & Leadership

- Creativity & Communication

Projects

Online Job Portal
Tech Used: HTML, CSS, JavaScript, PHP

- Developed a fully functional job listing platform with user authentication and job application features.

- Designed dynamic and engaging web pages with JavaScript animations and interactive elements for improved user experience.

EV Charging System (IoT-Based)
Tech Used: IoT, Solar Energy Optimization

- Currently developing a smart electric vehicle charging system that monitors battery health and detects faults.

- Implementing solar-based energy optimization for a sustainable charging process.

Certifications

- **AI Tools Workshop**

- **Cybersecurity Analyst Job Simulation**

- **Deloitte Australia Data Analytics Job Simulation (Forage)**

  o Built a data dashboard using Tableau

  o Classified data in Excel to extract actionable business insights

Experience

Fresher

- Gaining hands-on experience through personal projects, internships, and certifications.

- Focused on learning and applying web development and data analytics tools in real-world scenarios.

Achievements & Awards

- **Best Coordinator Award** in a competition

- **3rd Place** in a Debate Competition

Languages

- **Hindi:** Fluent

- **English:** Fluent

Hobbies & Interests

- Coding & Web Development

- Traveling & Exploring New Places
